United Technicians Sign an ALTA Card for Professional Representation

To our fellow AMT's now is the time for action, to sign a card and call for a change in Union representation to a Union we control. Technicians in ORD MCO SFO IAH DEN LAX are working together across the United system to bring you a better union, one that we will control.

Craft Unionism like the pilots have with ALPA
Open Negotiations
Professional Legal Representation
Union Locals run by elected United Technicians

Because of the varying different shifts, work areas and shops it is difficult to hand deliver a card for you to sign. You can [download a card](#) at our website.

If you need ALTA election cards for your work area just email us at www.ALTAUnited.com
Send us a message from our contact page.

United Technicians did much better when they controlled their own union and were represented by their own elected Officers and Reps that were backed by Professionals in open negotiations. Yes, we can do better than the IBT and we have already proven it.

Even after Bankruptcy in [2008 United Technicians earned more](#) in our first 7 years than American and Continental technicians by \$20,000 and \$30,000, respectively.

Open Negotiations, technicians working together to promote and defend our Profession.

Now more than ever the Technicians at United Airlines, American Airlines, Southwest, Delta and Alaska Airlines need to work together to promote our Profession and negotiate the contracts our Certified Airmen and Technicians deserve.

Sign a card to call for an election to choose a Craft Union built for and by United Technicians. Working together we will win and have a Craft Union like ALPA for UAL Technicians
